

# CITY of WINTERSET

## Community Resources

The City of Winterset is committed to maintaining quality neighborhoods and an excellent community environment. Our residents expect us to do everything we can in this regard. We know that this can only be achieved through the cooperation of everyone involved. We also acknowledge that the city is full of residents who take pride in their properties.

Below is a list of resources for residents in need of assistance for such things as the removal of snow, weeds, appliances, tires, inoperable vehicles, etc.
