

Waste Management of Iowa offers “Single Stream” recycling program, where all recyclable materials are placed in one single **recycling tote which is picked up every other week**. Residents are encouraged to recycle various materials, such as newspapers, magazines, junk mail, telephone books, cardboard, tin & aluminum cans, plastic bottles, plastic margarine & yogurt tubs and glass jars & bottles.

The calendar on the reverse side shows the schedule for recycle collection and yard waste pickup. Recycling collection is on the same day as garbage collection, but is picked up every other week.

Recycling pickup is highlighted in green, and is every other week.

Yard waste pickup is highlighted in yellow.

Delayed Service is highlighted in red.

**Yard waste collection starts in April and runs through November.** Areas of town west of John Wayne Drive and north of Summit Street have yard waste pickup on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesdays of the month. The rest of town has yard waste pickup on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesdays. Yard waste needs to be put in a biodegradable yard waste bag or in an old garbage can. Tree limbs should be cut into 5 foot lengths and must be tied into bundles that weigh no more than 50 pounds. Do not use black garbage bags for yard waste, and do not use your regular garbage cart or recycle cart for yard waste.

If you do not have a garbage or recycle tote at your address, or if you have questions about the City’s waste collection program, contact City Hall at (515) 462-1422.

The City of Winterset requires that all dogs be licensed. You must provide a copy of your dog’s current rabies vaccination certificate to get a dog license. The fee is \$15 per dog but is reduced to \$10 if the dog has been spayed or neutered (certification required). Dog licenses are to be renewed each year by January 31<sup>st</sup> or a \$20 late fee will be assessed.
